

Catholic Football League Policy in Non-CFL Tournaments

From time to time Coaches ask if they can take their team and play in a Non-CFL sanctioned football tournament. Teams are allowed to play in Non-CFL tournaments provided the following rules are adhered to:

1. Tournaments are not during the CFL Season. They must occur AFTER the CFL season is over.
2. Teams MUST sign an insurance waiver for the tournament they are playing. Parents must sign that waiver, and the waiver must be on file with the CFL.
3. Teams MUST inform the CFL Board in writing of the tournament they plan to play.
4. Team names must not be associated with the CFL or Dowling in any way.
5. Team are allowed to use CFL Equipment, provided the CFL is aware of the tournament, and the equipment is returned.
